Football Season: Sacrifices and Rewards

To numerous students, fall meant football. Tiresome hours were spent in preparation for football games. Football players studied plays, ran sprints, and blocked with hopes of outwitting or overpowering the opposition.

The Band, cheerleaders, and Vikas practiced long hours outside school to be ready for the game.

Involved students helped to create an atmosphere of spirit and enthusiasm through signmaking and attending games.

The Spirit-Boosters

The Varangians, or Nimitz Spirit Boosters, are partly responsible for the great spirit at N.H.S. They awarded the spirit shield each week to the class with the most spirit. The club also made posters, attended football and basketball games, and boosted the great N.H.S. Spirit.

1972 — Rebuilding Year

The Viking football team had a hard time in the 72 season. Through rain, cold and mud, the Vikings never stopped giving all they had. Defeat is not easy to accept, but victory cannot always be measured by the score. If winning was the amount of effort, hard work and guts, then the Vikings were all winners. Laurens Mitchell, Rick Mizell, Mike Martin, and Ronny Gaither were elected as captains for the year. Rick Mizell was picked to the first team coaches All-District.

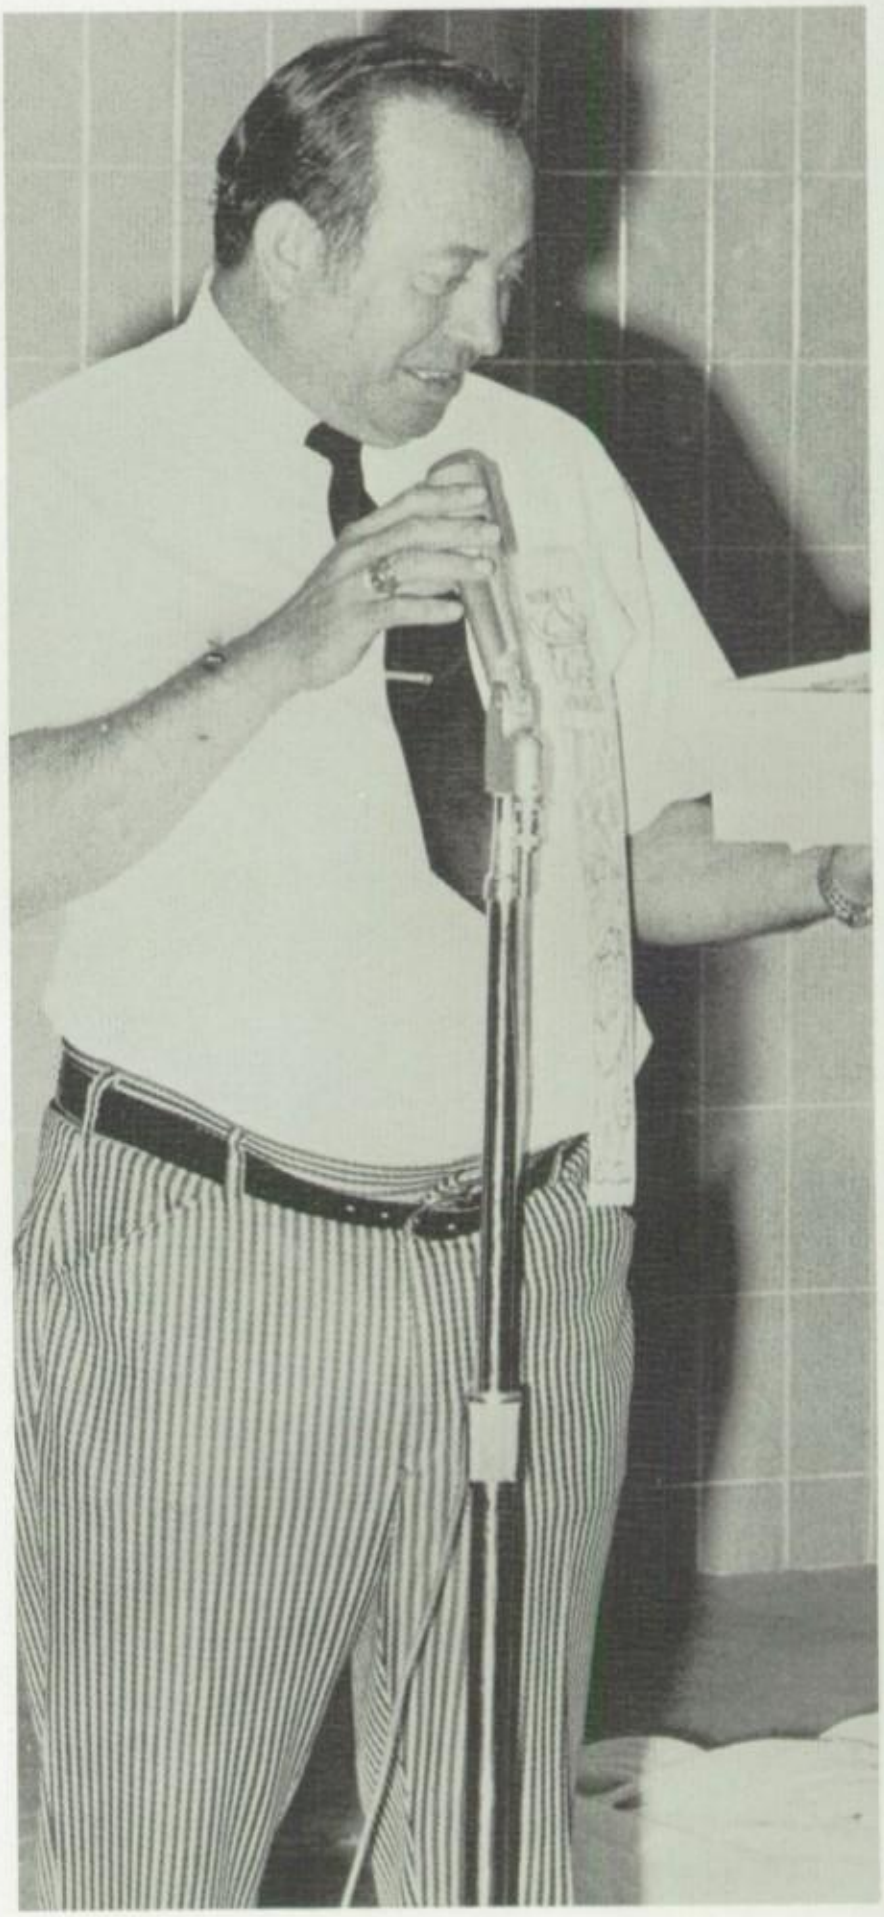
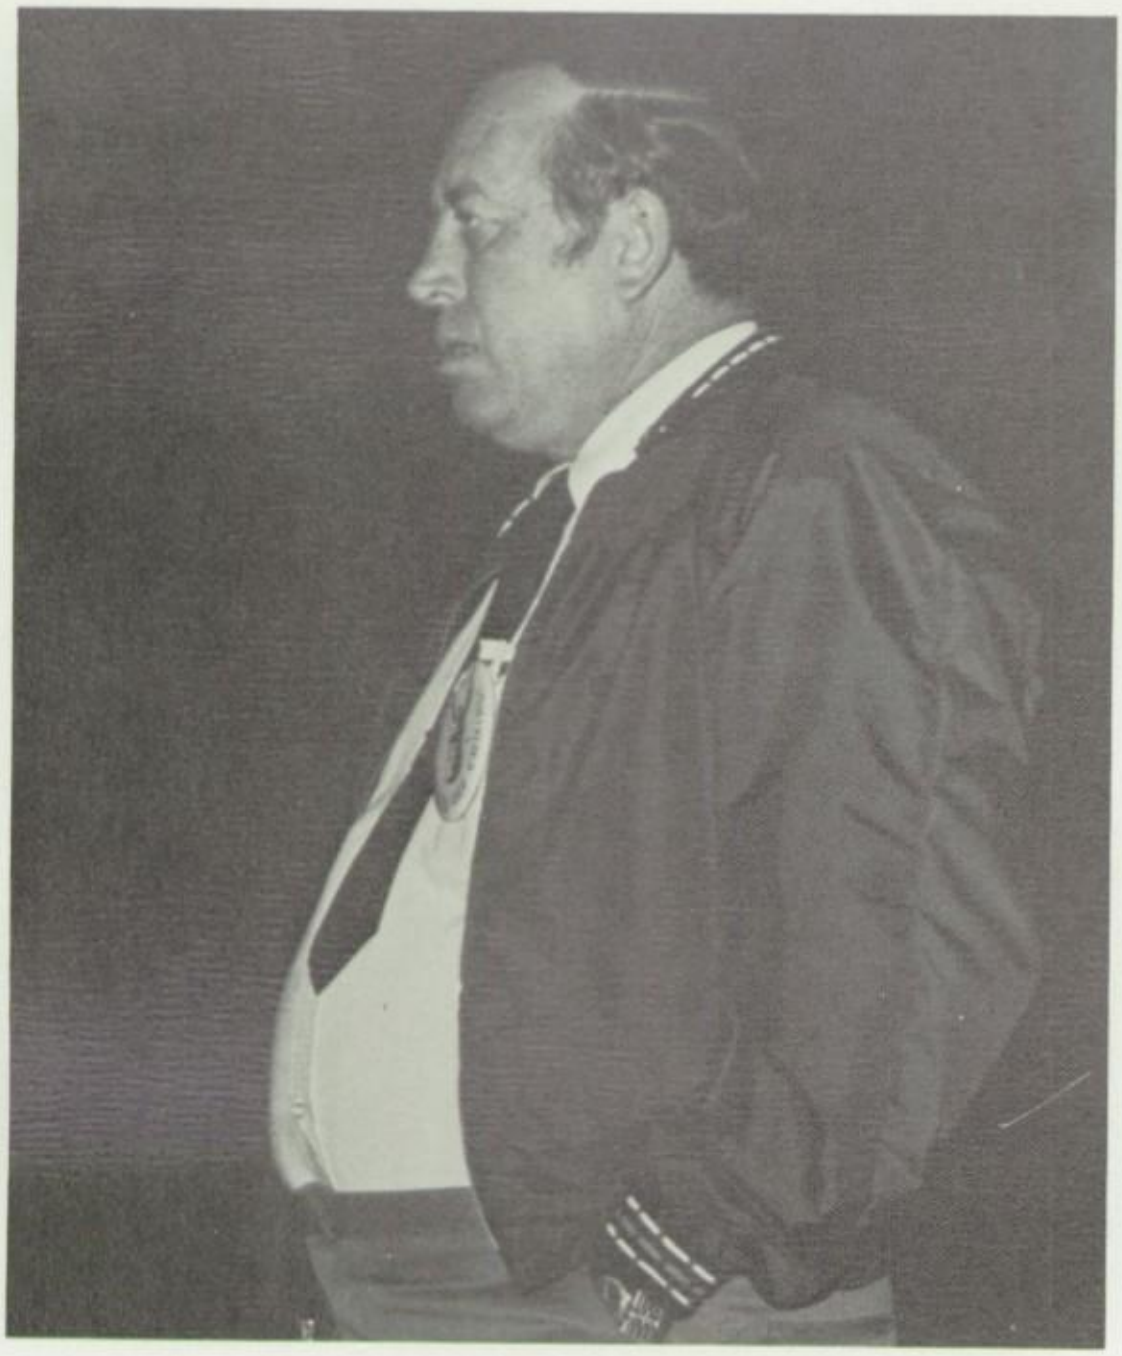
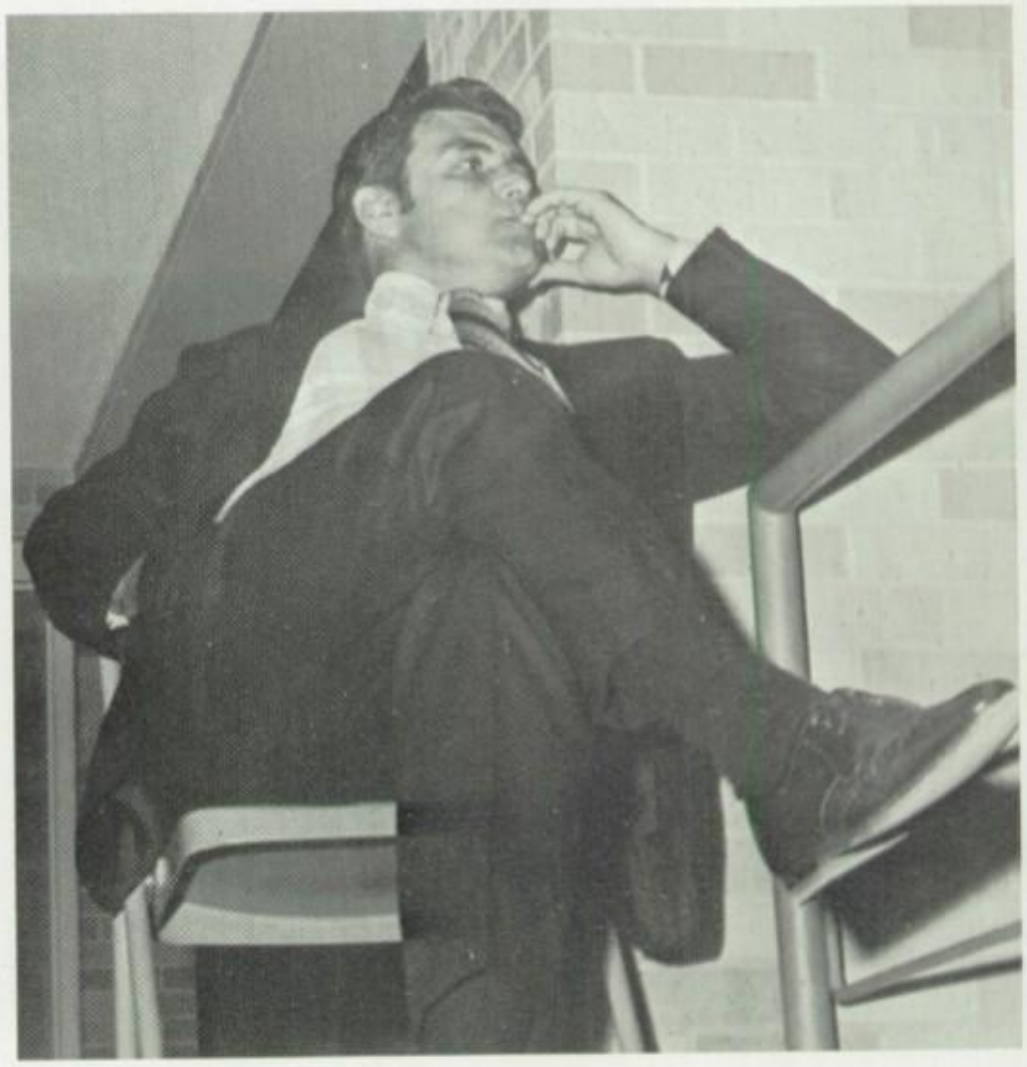
Mr. Chandler — Leader Of The People

As Nimitz High School opened its doors and classrooms for the first time, Mr. Tom Chandler was there to welcome students and tell them what lay ahead. Through a sea of "blood, sweat, and tears," he guided Nimitz on the hard road to pride in one's school. His show of love has clearly been evident to each person attending Nimitz. Many students, faculty members, and people associated with Nimitz have been encouraged by the motto he practices — "Everybody is Somebody."

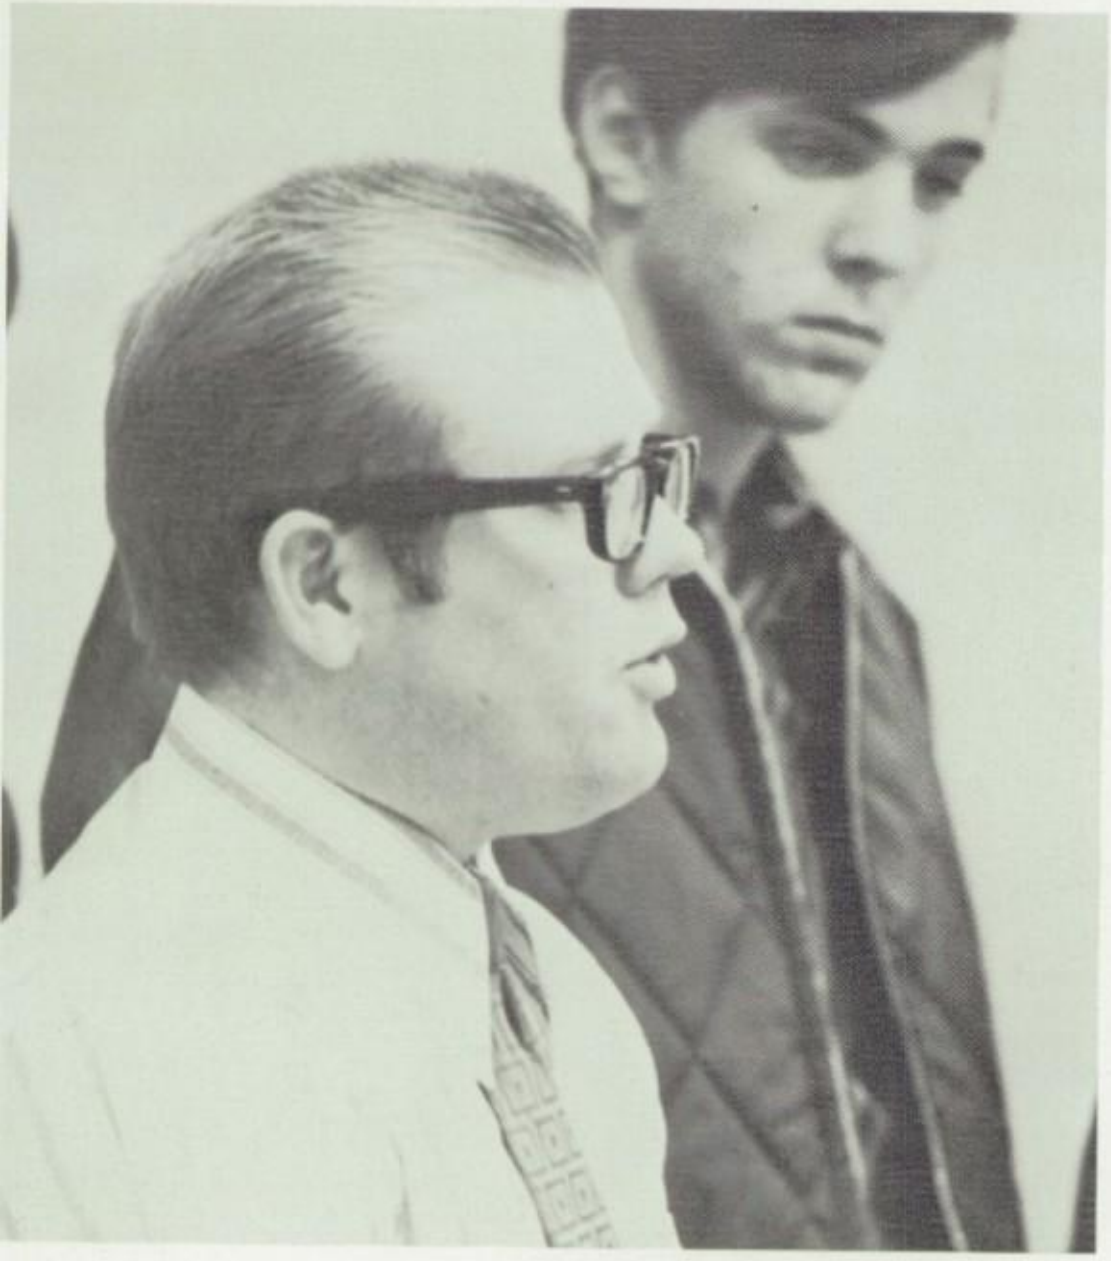




Bridges Over Troubled Waters



As Assistant Principal, Mr. Darland has many responsibilities. Before students returned from summer vacation, he was working on a master schedule for 1900 Vikings. During the school year, Mr. Darland is in charge of teacher rosters, lockers, and the discipline for Junior and Senior boys.

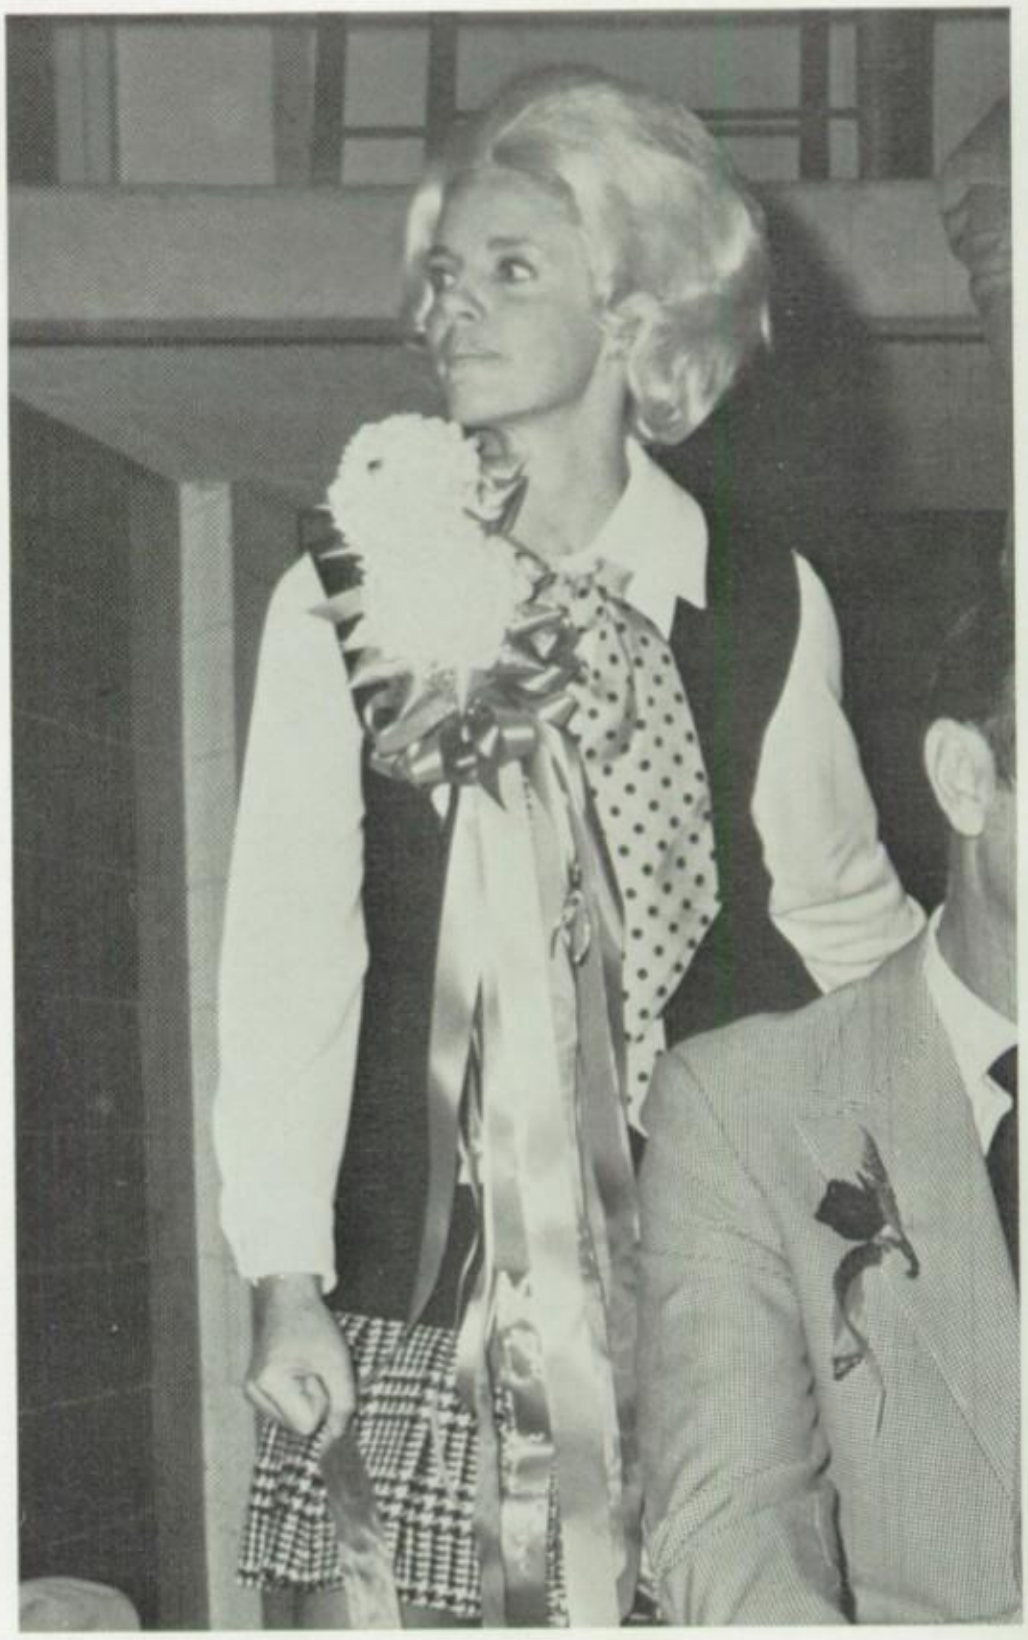


The job of Vice-Principal is one with many duties. However, Mr. Winn carries this responsibility cheerfully. He is in charge of Driver's Education, busses, curriculum, substitute teachers, and discipline of ninth and tenth grade boys.

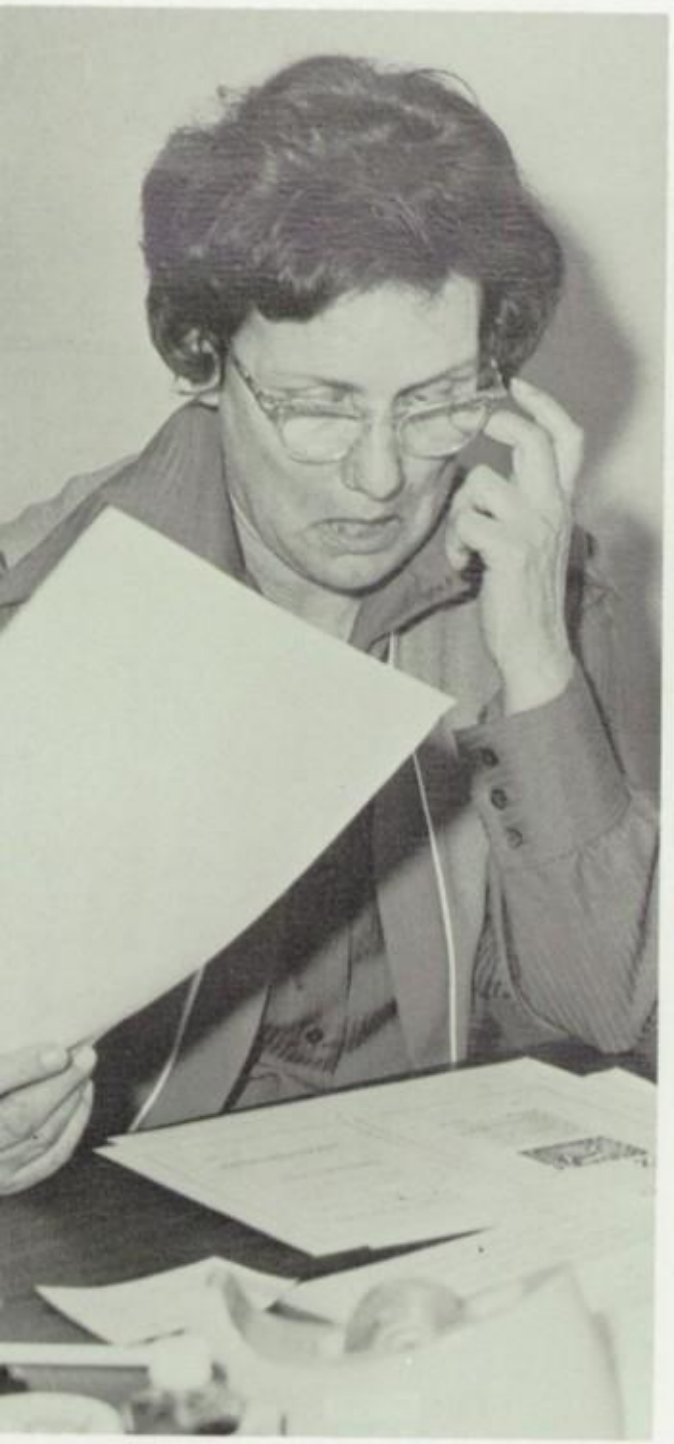
Helping Hands

The efficiency of Mr. Singley has impressed many people at Nimitz. As Vice-Principal, the tedious job of handling textbooks lies within his jurisdiction. He also handles audio-visual equipment, immunizations, and faculty and student pictures.

Understanding, helpful, enthusiastic . . . these are all characteristics that make Mrs. Sanborn a likable person. She schedules all student activities, is the cheerleader sponsor, and is Dean of Women.



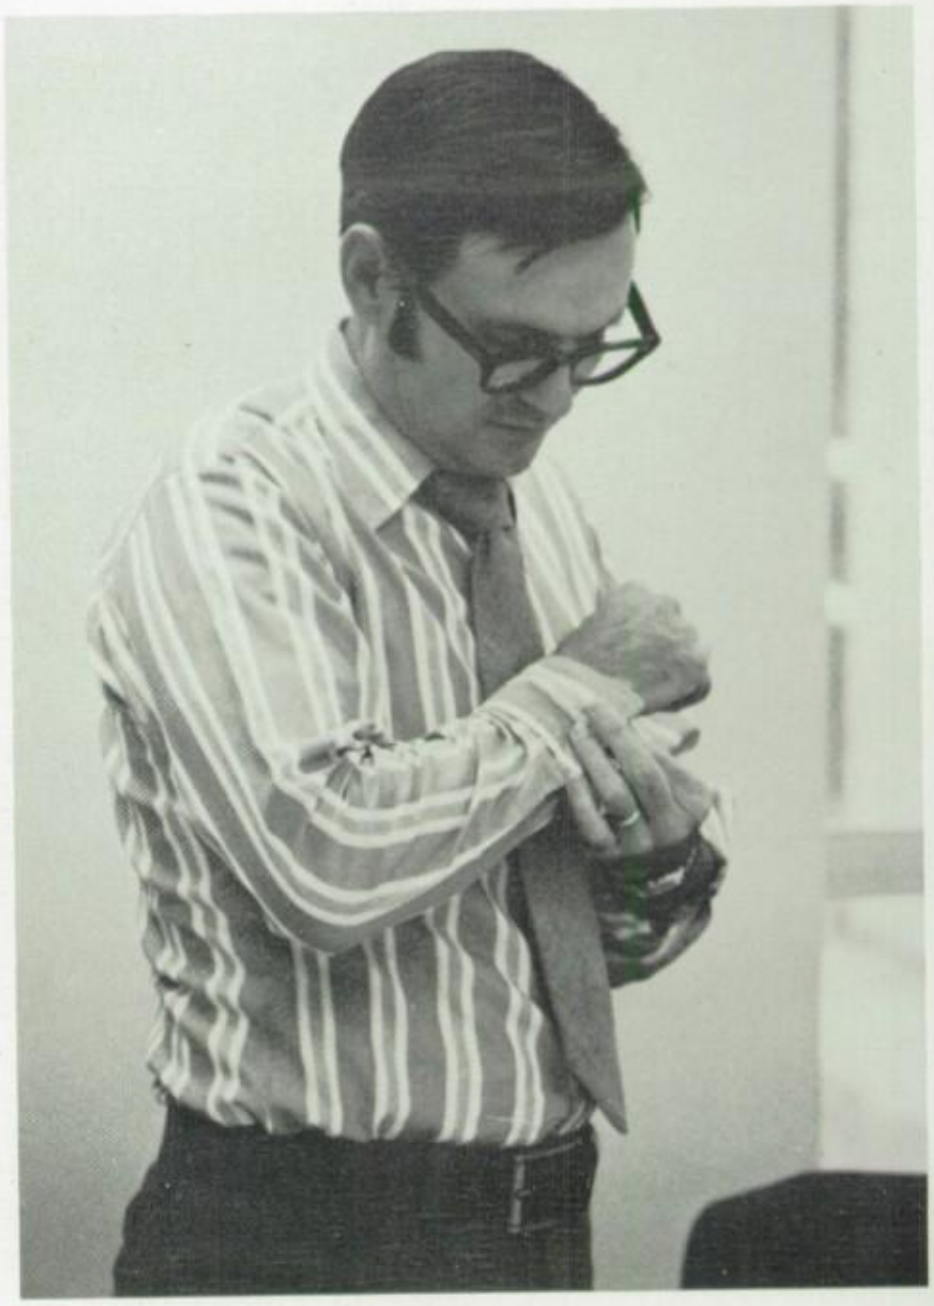
Jackie Mayberry, Ruth Ernst, Paula Matz, Audel Cashion, Glenda Martin, Dorothy Reeves, Nell McPherson, Gerry Armstrong, Yvonne Welch, Bessie Sargent, Barbara Pickhard, Gladys Plaski.



The duties of the school's secretaries are varied. Our office staff of eleven has the responsibilities of absences and tardiness, attendance rolls and general office work. Mrs. Pickhard, the school's nurse, treats students complaining of illness. All of these ladies are vital to Nimitz.

Counselors Help Fit The Pieces For

Mrs. Butler, the Senior counselor and Mr. Thompson, the Junior counselor, advise, suggest, and counsel their students in areas concerning classes, grades, and future plans.



The Puzzled Student

Mrs. Staggs is the Sophomore counselor. She not only helps students who are undecided, but she gets totally involved. Mrs. Woodson, the Freshman counselor, introduces 9th grade students to high school, and makes them aware of their role.

"Keepers Of The Castle" . . .

Over 1900 hungry Vikings explode into the Nimitz cafeteria daily to eat hot meals prepared by the lunch ladies. The staff of eighteen women prepare around 950 nourishing meals a day.

The maintenance crew of 11 works diligently trying to keep the halls and campus of NHS clean and scenic. They are counted upon endless times to do odd jobs that require assistance.

REFLECTIONS

You see best when your eyes are closed,
But you fear the dark like a child alone.
You can hide your face,
But you can't hide your soul.

The ringing in your ears is your soul
Telling you the ways that you think you
know,
But the darkness enlightens,
And your mind swims away.

Have you ever tried to listen
To the crying that's deep within your
heart?
It's bleeding once again
For love that wasn't spent.

BUT YOU CAN'T TAKE THE

And Togetherness

The 1972-1973 school year was one of love, innovations, youth, war, beauty, beginnings, endings, triumphs, disappointments, music, and questions. If nothing more it was a learning experience for America as well as the student.
Leaving Nimitz induces reflections . . . recollections of things past, and a small but significant preview of the future. The school year's ending is a beginning.

To understand others one must understand himself, and to know oneself one must know others. High school portrays the mediator, supplying the common goal, the common interests, and the common place of gathering. By this we achieve a unity, a family of the mass, and a self-respect . . . we achieve togetherness. Indeed, this year was a time of, and for, togetherness!

Charley:
You are a real sweet
and cute girl. It has
been a pretty hectic year,
but it has worked out
pretty good. It has been
fun in Biology cutting
up all those gross animals.
I have to say Mr. Small
is a weird teacher and
a little witty at times.
I hope we have fun
next year in Childcare, I'll
try to behave this time. May
you have the best of luck
possible. Be Good and have
a nice summer. Stay away from the
boys.
Love ya
